

2010 PATRIOT YOUTH FOOTBALL SPRING NEWSLETTER

Thank you for registering your son to play football for the Patriot Youth Program. Also thank you to those parents that attended our sign up meeting.

We have approximately 32 players registered or in the process for the 8th grade team.

A few other reminders for everyone:

1. Your son will need a physical by Monday, **August 3rd**, our first day of conditioning. The physical form can be found on our web site www.patriotyouthfootball.com. This is an Ohio High School requirement. We'll need the completed physical form for our records by August 3rd.
2. The high school you camp is scheduled for **July 26th - 29th**. We strongly encourage our players to attend as the high school coaches will be giving the camp and we put in our offense and defense during the camp. A camp brochure is attached, the fee for the camp is \$50 and should be sent to the high school with the form by **May 15th**.
3. For a few of you who have not send in your paperwork, the sign up forms for our team are on the web site.
4. The high school program is sponsoring a golf outing in early June, the brochure for the outing is attached. If you would like to sponsor a hole, etc see details. It's a fun event and the proceeds benefit the high school program.

We have a great season planned, we will host our annual quad scrimmage, we have Catholic Central (Springfield), Wilmington, and Fenwick confirmed and I am looking for a 4th team. We also will have a home/ home games with Badin and CJ. We added Bellbrook to our schedule this year too.

If you have any questions, let me know thanks.
